- 2 country presentations (TBD)
 - Discussion of the register issues that need to be addressed in the region

Friday, 22 August 2008

Morning session: 9:00 hrs. – 12:30 hrs.

Developing a manufacturing statistics work programme for submission to the Statistical Conference of the Americas in 2009

Chair: TBA

- 9:00 – 10:30 (16) Demonstration of the UN knowledge base
- specific focus on Industrial Statistics
- (17) Tools to assess countries' current status and measure progress in a work programme
- introduction of a quality assessment framework for industrial statistics
- (18) Alignment with the IRIS 2008
- technical input to determine an appropriate path;
 - what is the current situation in countries?
 - what should be the intermediate steps to ensure countries meet the internationally agreed principles, concepts and definitions of data items to be collected and published for the measurement of industrial activity?
 - based on feedback from the earlier sessions – what should be the priority areas in the work programme?

UNSD presentation

- 10:30 – 10:50 Coffee break

Developing a manufacturing statistics work programme for submission to the Statistical Conference of the Americas in 2009

Chair: TBA

- 10:50 – 12:30 (18) Alignment with the IRIS 2008 (*cont*)

Discussion
Conclusions

- 12:30 – 14:00 Lunch

Friday, 22 August 2008

Afternoon session: 14:00 hrs. – 15:30 hrs.

Workshop on manufacturing statistics

Chair: TBA

14:00 – 15:30 (19) Evaluation of the meeting
 (20) Conclusion of the meeting
