How to get to the city centre (Copenhagen Central Station) from the airport.

Train

When arriving in Copenhagen airport, take the train to Copenhagen Central Station. The journey takes 20 minutes and costs around DKK 36 per person.

The train is at the far end of terminal 3 – same direction as the metro. Trains are to the left and right – consult the information screen for information about the platform and be sure to take a train that mentions Copenhagen Central Station/Københavns Hovedbanegård as a stop or destination. Otherwise the train goes to Sweden.

Vending machines are situated just before you enter the stairs to the trains.

You can buy tickets for the trains here or you can download an APP for buying the tickets.

To get to Copenhagen Central Station you need a single ticket for 3 zones.

You find more information here: <https://www.dsb.dk/en/travelling-in-the-cities/copenhagen/types-of-tickets-for-copenhagen/>

We recommend taking the train instead of the metro as the train goes directly to the Central Station.

Taxi

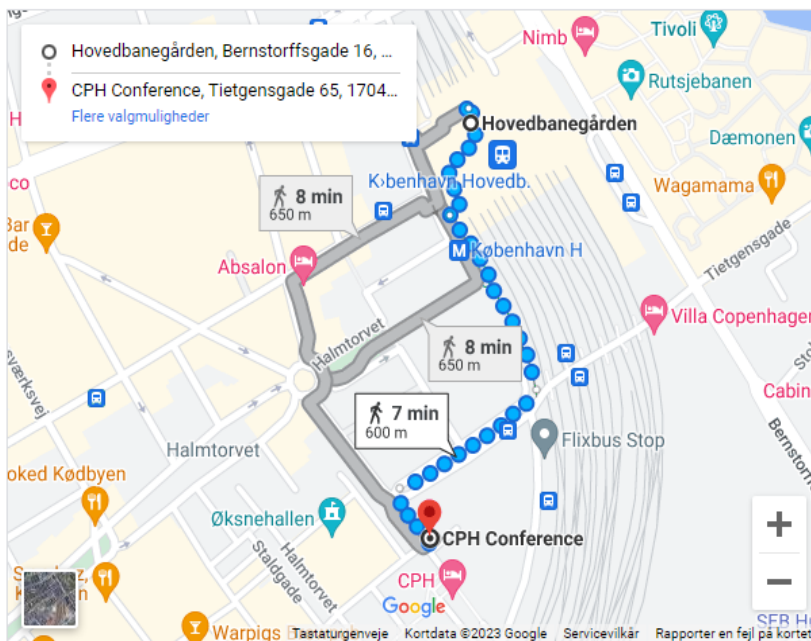

There are many taxi companies to choose from just outside the Airport exit. Credit cards are accepted. A taxi to Copenhagen Central Station and the meeting venue will cost around DKK 250-350. Always ask the driver beforehand.

The main taxi companies are 4*35, Dantaxi, 4*27. In addition to the major taxi companies, there are several independent firms; caution is advised.
