

# Overview of UNSC53 decisions and 2022-2023 IAEG-SDG workplan

---

Open virtual meeting of the IAEG-SDGs: Data, COVID-19 and the SDGs  
15 June 2022

*Karen Chavez, Colombia, co-chair of the IAEG-SDGs*

Based on UNSC [Decision 53/102](#), the IAEG-SDG work plan 2022-2023 will focus on:

## ***Areas of Work***

### **A. Indicator framework implementation:**

- *update good practices on SDG monitoring website, including collecting good practices on data innovation from countries;*
- *share capacity building needs already identified with HLG and CCSA;*
- *liaise with the HLG on activities on financial support for SDG monitoring to expand dialogue;*
- *develop questionnaire to compile capacity building and training programmes on SDG monitoring and develop an online platform of these materials (from custodian agencies, RCs, etc.).*

### **B. Methodological development/metadata review:**

- *continue review of any updated metadata with significant change(s) in methodology;*
  - *metadata sub-group continues reviews of metadata to improve quality;*
  - *liaise with custodians on E-handbook.*
- 

Based on UNSC [Decision 53/102](#), the IAEG-SDG work plan 2022-2023 will focus on:

## ***Areas of Work***

### **C. Data Disaggregation and Small Area Estimation:**

- *update data disaggregation good practices on wiki platform;*
- *continue SAE for SDGs support to countries via e-learning and capacity building;*
- *Working Group on Geospatial Information task team on data disaggregation to inform and engage with Group.*

### **D. IAEG-SDG Working Groups:**

- *review working group workplans for additional activities;*
- *working groups (Geospatial and SDMX) to carry out work programmes and update Group.*

### **E. Dialogue with custodians/data flows:**

- *IAEG-SDG co-chairs to meet regularly with CCSA/CCS-UN co-chairs to discuss issues raised by countries;*
  - *bilateral meetings with custodians as needed.*
-

Based on UNSC [Decision 53/102](#), the IAEG-SDG work plan 2022-2023 will focus on:

## ***Areas of Work***

### **F. Meetings/Working Modalities:**

- *IAEG to hold monthly meetings;*
- *Periodic open meetings;*
- *13th meeting in Oct/Nov (possibly a physical meeting).*

### **E. Specific Indicator issues:**

- *Target 8.9: IAEG-SDG to develop a task team for the development of methodologies for indicators on sustainable tourism to ensure they are ready for submission for the 2025 comprehensive review;*
- *Indicator 17.3.1: UNCTAD to lead further work on South-South cooperation conceptual framework and report to IAEG on progress; UNSD to support countries on further review and include update to UNSC54.*

**Thank you!**
