2022 Global Review of Gender Statistics

Overview

- Context.
- Objectives.
- Process.

- **Mandate by the UN Statistical Commission**
 - to implement a global review of national gender statistics programmes,
 - by UN Statistics Division in collaboration with Regional Commissions
- Second time that such review has been conducted, and the plan is to maintain a decennial cadence
- Questionnaire based on the one used in 2012, incorporating learnings and new elements of current relevance
- **Objectives**
 - Measure progress since 2012, assessing impact of the pandemic
 - Observe the extent of gender mainstreaming into NSS, identifying good practices and challenges
 - Guide future work of the IAEG-GS under the Global Gender Statistics Programme

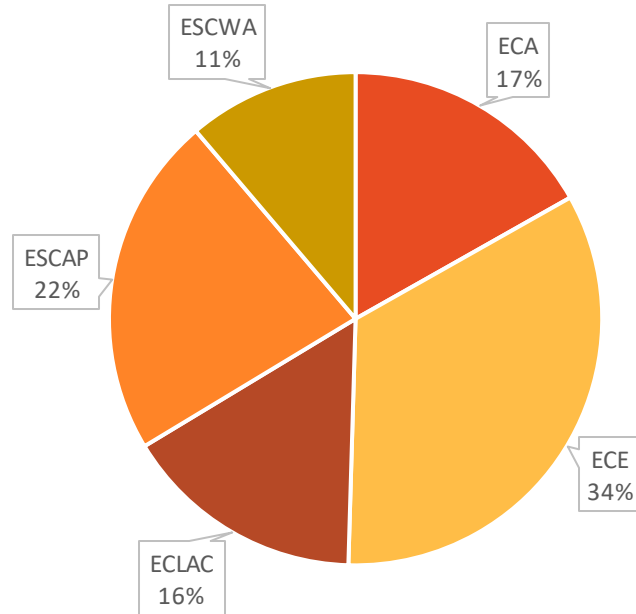

2022 Global Review of Gender Statistics

Overview

- Context.
- Objectives.
- Process.
