### GENERAL NOTES

This cumulative index covers the contents of each of the present and previous issues of the Demographic Yearbook. 'Year of issue' stands for the particular issue in which the indicated subject-matter appears. Unless otherwise specified, 'Time coverage' designates the years for which annual statistics are shown in the Demographic Yearbook referred to in 'Year of issue' column. 'Latest' or '2 latest' indicates that data are for latest available year(s) only.

---

i Only titles not available for preceding bibliography.

ii Historical Supplement to the 30th DYB published in a separate volume in year 1979.

iii Historical Supplement to the 49th DYB published in a separate volume (CD-ROM) in year 2000.

iv Supplement to the 51st DYB focusing on natality published in a separate volume (CD-ROM) in year 2002.

v Five year average rates.

vi Only data not available for preceding issue.

vii Population ageing published in separate volume.

viii Tables published online.
