FOOTNOTES - NOTES

* Open-ended group (e.g. 80 years or over). - Groupe d'âge ouvert (par exemple, 80 ans ou plus).

¹ Data refer to the 12 months preceding the census in September. - Les données se rapportent aux 12 mois précédant le recensement de septembre.

² Excluding Indian jungle population. - Non compris les Indiens de la jungle.

³ Provisional data. - Données provisoires.

⁴ Data refer to the 12 months from 30 June 2016 to 30 June 2017. - Les données font référence aux douze mois de 30 juin 2016 à 30 juin 2017.

⁵ The Mortality Tables constructed for 2022 used direct data on deaths (adjusted for under-registration) and the census population in 2022 to calculate mortality rates. Therefore, the results reflect the mortality of the Brazilian population, by age, in a year that still saw an increase in deaths compared to the period before the Covid-19 pandemic. - Les tables de mortalité construites pour 2022 ont utilisé des données directes sur les décès (ajustées pour tenir compte du sous-enregistrement) et de la population recensée en 2022 pour calculer les taux de mortalité. Les résultats reflètent donc la mortalité de la population brésilienne, par âge, au cours d'une année qui a encore vu une augmentation des décès par rapport à la période précédant la pandémie de Covid-19.

⁶ Provisional data. Excludes nomadic Indian tribes. - Données provisoires. Non compris les tribus d'Indiens nomades.

⁷ Based on the results of the 2012 Population and Housing Census. - D'après les résultats du recensement de la population et des logements de 2012.

⁸ Includes data for East Jerusalem and Israeli residents in certain other territories under occupation by Israeli military forces since June 1967. - Y compris les données pour Jérusalem-Est et les résidents israéliens dans certains autres territoires occupés depuis 1967 par les forces armées israéliennes.

⁹ Data refer to Japanese nationals in Japan only. - Les données se rapportent aux nationaux japonais au Japon seulement.

¹⁰ Provisional data. Data refer to resident population which comprises Singapore citizens and permanent residents. The data have been affected by higher mortality rates due to the COVID-19 pandemic. It may not be representative of the number of years that individuals can expect to live if mortality rates were to return to pre-pandemic levels. - Données provisoires. Les données se rapportent à la population résidente composé des citoyens de Singapour et des résidents permanents. Données modifiées par des taux de mortalité supérieurs en raison de la pandémie de COVID-19. Elles sont susceptibles de ne pas être représentatives de l'espérance de vie réelle des individus dans l'hypothèse d'un retour aux taux de mortalité qui prévalaient avant la pandémie.

¹¹ Excluding Faroe Islands and Greenland shown separately, if available. - Non compris les Iles Féroé et le Groenland, qui font l'objet de rubriques distinctes, si disponible.

¹² Without the data on districts from the left side of the river Nistru and municipality Bender. - Sans les données sur les régions de la rive gauche de la rivière Nistru et la municipalité Bender.

¹³ Excludes data for Kosovo and Metohia. - Sans les données pour le Kosovo et Metohie.

¹⁴ The Government of Ukraine has informed the United Nations that it is not in a position to provide statistical data concerning the Autonomous Republic of Crimea and the city of Sevastopol. - Le gouvernement Ukrainien a informé l'ONU qu'il n'est pas en mesure de fournir des données statistiques concernant la République autonome de Crimée et la ville de Sébastopol.

¹⁵ Excluding Channel Islands (Guernsey and Jersey) and Isle of Man, shown separately, if available. - Non compris les îles Anglo-Normandes (Guernesey et Jersey) et l'île de Man, qui font l'objet de rubriques distinctes, si disponible.
