Subject Comments on Volume 1 of the updated 1993 SNA

Dear Mr. Ivo Havinga,

First of all, let me express my sincere gratitude on behalf of the National Bank of the Kyrgyz Republic for involvement into the process of consideration of the SNA updated version.

Having considered the updated version of the first volume of "The System of National Accounts" (SNA) we had no remarks on its content.

Regarding the title due to significant changes we would suggest naming the updated version as "The 2008 System of National Accounts". The mentioning that the basis of the updated version of SNA is underlined with principles stated in SNA of 1993 might be indicated in the foreword to the new edition of SNA.

In addition, I would like to note we sent you the original letter by fax (1-212-963-1374).

Thank you for cooperation.

Sincerely yours,
Nasiba IMARALIEVA
