ISWGNA Consultation on an annex to Chapter 6 (storage services) and Chapter 20 (capital services) in the national accounts

Dear Mr. Havinga

We refer to the letter by Mr. Robert W. Edwards from the IMF to the Swiss National Bank concerning the annex to Chapter 6 and Chapter 20 of the updated SNA. The Swiss National Bank has no comment on the two issues. This and other issues concerning the nonfinancial sector are commented normally by the Federal Statistical Office.

Yours sincerely,
Swiss National Bank

Guido Boller
