Subject SNA update, chapters 6 and 20

Dear Mr. Havinga,

I am responding to your letter of April 28, 2008 asking for the comments of the Czech National Bank on an annex to Chapter 6: Separating storage production from holding gains and losses, and Chapter 20: Capital services and the national accounts, in connection with the established consultation process on updating the System of National Accounts 1993.

I would like to advise you that we do not have any substantive comments to make on either the annex to Chapter 6 or Chapter 20.

Yours sincerely,

Petr Vojtisek
