Part II: Comments on specific draft paragraphs or passages

In your review of draft chapter 26, you may wish to devote particular attention to the passages listed below. There is space after each issue for any comment you wish to make.

1. Do you like the idea of a chapter showing the link to monetary and financial accounts? If so, does this chapter cover sufficient material to facilitate the link?

Comment:

From the point of view of our statistical practise, this chapter is new for us, and it will be more the object of interest of Czech National Bank in the Czech Republic. Generally, we consider linkage between monetary and financial accounts for useful.

2. Would you like to see the details on financial sub-sectors in this chapter or in chapter 4 on Institutional Units and Sectors?

Comment:

In this concrete situation when the revised chapter 4 is not yet available, we welcome that the classification of the institutional sector of financial corporations by sub-sector has been attached to the text of the new chapter 26. For the final version, we assume that it will be a component of the chapter 4.
