Part I: General comments

In the space below, please provide any general comments, such as about the clarity with which the new recommendations were incorporated (30 words or less).

Comment:

The guidelines given in this chapter are well structured and the different classification issues are clearly presented.

Part II: Comments on specific draft paragraphs or passages

In your review of draft chapter 4, you may wish to devote particular attention to the passage listed below. For ease of reference, we have identified the relevant paragraphs. Please use the space provided to the right of the paragraph number to make your comment.

1. Section A, paragraphs 4.10 – 4.12:

The definition of ‘residence’ was slightly changed in the 1993 SNA Rev.1 by introducing ‘predominant’ before “economic interest.” Because residence is

principally a BOP term, the text in paragraphs 4.10 – 4.12 has been taken from *BPM 6*. Do you consider the definition appropriately described? Is it clear to a national accountant?

4.10 -4.12	The concept of residence is briefly mentioned in this Chapter. For paragraph 4.12, the cross reference seems to be Chapter 25 instead of Chapter 24.
---------------	--

2. Section A, paragraph 4.20:

A decision tree allocating units to institutional sectors and sub-sectors has been added as figure 4.1. It is first referred to in paragraph 4.21 to the 1993 SNA Rev.1. Do you think it is useful?

4.21	Yes, the decision tree provides a useful rundown for allocating units to institutional sectors and sub-sectors.
------	---

3. Section B, paragraphs 4.52 – 4.54:

The expression ‘ancillary corporation’ in the 1993 SNA did not fit neatly with the discussion on ancillary activities discussed in draft chapter 5 of the 1993 SNA Rev.1. Therefore the term ‘artificial subsidiary’ has been introduced. Do you agree with this new terminology?

4.52	It is noted that the term “ancillary corporation” will still appear in BPM6; it is desirable to harmonise the term used in the two manuals.
4.53	In the 1993 SNA and BPM6, it is mentioned that an ancillary corporation is recognised as a separate institutional unit when it is resident in an economy different from that of any of its owners, does this criterion still hold?
4.54	The difference between artificial subsidiaries and ancillary activities should be further elaborated.

4. Section B, paragraphs 4.64 – 4.72 and section C, paragraphs 4.82 – 4.83

Material from draft chapter 21 (public sector) of the 1993 SNA Rev.1 on control of corporations and of NPIs by government has been brought together. Do you consider this useful?

4.64 -4.83	Yes, it is useful.
---------------	--------------------

5. Section D, paragraphs 4.89 – 4.90:

NPIs are distinguished as a sub-sector of the non-financial corporate sector in the 1993 SNA Rev. 1. Other units in the sector have been labeled 'For Profit Institutions' (FPIs). Do you agree with the new terminology introduced in paragraph 4.89? Do you agree with the full sub-sectoring introduced in paragraph 4.90 and shown in table 4.1?

4.89	Yes, the terms are agreeable.
4.90	The proposed sub-sectoring is agreeable.

6. Section E, paragraph 4.94:

The new sub-sectoring of the financial corporations sector, including again by NPIs and FPIs, has been introduced in paragraph 4.94. Do you agree with the new classification?

4.94	The new sub-sectoring is agreeable. Nevertheless, non-profit financial corporations are insignificant in some economies.

7. Section F, paragraphs 4.118 – 4.119:

Do you consider the clarification of the role of social security funds in paragraphs 4.118 – 4.119 consistent with the GFSM? Paragraphs 4.118-4.119 set out the role of social security funds while trying to stay in line with text in the *GFSM* and draft chapter 21 of the 1993 SNA, Rev. 1. Is the text appropriate and clear?

4.118 – 4.119	Harmonisation between 1993 SNA Rev.1 and GFSM is fully supported. The proposed text is appropriate.
