## **Comments on draft SNA chapters Chapter 7 addendum**

### General comment

The former § 7.100 should be deleted as the distinction between bank interest and SNA interest in the case of loans and deposits is now explained in § 7.104.

### § 7.103

*“... As explained in chapter 11, there are many different kinds of financial instruments and new instruments are continually being evolved.”*

Terms such as “designed” or “developed” may be more suitable than “evolved”.
