

**UN STATISTICAL COMMISSION 48TH SESSION
ITEMS FOR INFORMATION AND DISCUSSION**

Statistical Commission

Forty-eight session 7-10 March 2017

Item 3 (a) of the provisional agenda*

Item for discussion: SUSTAINABLE DEVELOPMENT GOAL INDICATORS

Comments

- Mongolia supports the magnificent work done by IAEG - the revised global indicators framework. We suggest that these indicators will be modified and revised on annual base. We would like to request to develop guidelines on data sources and methodologies. As for many developing countries Mongolia seeks support of international organizations in capacity development to produce SDG indicators.
