

**UN STATISTICAL COMMISSION 48TH SESSION
ITEMS FOR INFORMATION AND DISCUSSION**

Statistical Commission

Forty-eight session 7-10 March 2017

Item 4 (g) of the provisional agenda*

Information item: FINANCE STATISTICS

Comments

1. Mongolia supports the report from financial statistics expert.
2. We propose to conduct a study and get training on updated Guidance on methodology for External debt and government debt statistics and Debt Management and Financial Analysis System /DMFAS-6/ programme.
3. Also we suggest developing a handbook which shows harmonisation between the balance of payment, national accounts and government finance statistics with real practical examples.
