

**UN STATISTICAL COMMISSION 48TH SESSION
ITEMS FOR INFORMATION AND DISCUSSION**

Statistical Commission

Forty-eight session 7-10 March 2017

Item 4 (i) of the provisional agenda*

Information item: AGRICULTURAL AND RURAL STATISTICS

Comments

- For Mongolia, pastoral herding is dominant in agricultural sector, thus estimations of total production and GVA of the sector is peculiar. Therefore, there is a need to learn from experiences from other countries with similar conditions. For this reason, creating online platform or website for exchanging the best practices and experiences with its methodology, handbook and examples would be essential for countries.
