

**UN STATISTICAL COMMISSION 48<sup>TH</sup> SESSION  
ITEMS FOR INFORMATION AND DISCUSSION**

Statistical Commission

Forty-eight session 7-10 March 2017

**Item 4 (j) of the provisional agenda\***

**Item for information: Coordination of statistical programmes**

**Comments:**

Proposals to the coordinating action committee of statistics activity:

1. Mongolia supports the report of the Committee,
2. We suggest providing coordination of international and regional trainings to improve statistical capacity and work focused on eliminating duplication.
3. And propose to international organizations to develop an agenda to support sustainable development of national statistics organizations with technical and financial aid by taking into consideration the country's specific characteristics.
4. Also we suggest intensifying implementation of SNA 2008, specially intensifying the support to developing countries, work on receiving financial support from international organizations. Moreover we shall strive to create platform to exchange information and share experience.
5. Provide capacity development of statistics division activity coordination, including enhancement of international and regional cooperation and create integrated information scheme.
