

STATEMENT/INTERVENTION

Item Number: 4a

Item Name: Governments on the situation in their countries and on the progress made in the standardization of geographical names

Statement/intervention provided by:

Austria (Peter Jordan)

Statement/intervention: Addressing National Report of Hungary

You present in your very interesting report a link to a list of names of settlements and their parts published by the Hungarian Central Statistical Office. It does not include, however, the many minority names of populated places that have become official in Hungary since 1993. Is there another document, where these minority names can be found?
