

STATEMENT/INTERVENTION

Agenda Item Number: 13	
Agenda Item Title: Exonyms	
Concern: China Division's statement of 23 April 2021	
Statement/intervention provided by: Denmark	
Statement/intervention:	
<p>The Delegation of Denmark would like to express its thanks to the distinguished delegates from the China Division of the UNGEGN for their statement of 23 April 2021 related to the Danish paper entitled "Decline in the number of Danish exonyms in use for European cities" (GEGN.2/2021/54/CRP.54). The expressed views will be passed on to the authorities in charge of the cited publication for their consideration. However, the Delegation of Denmark would also like to stress that none of the names quoted in the statement of the China Division are listed in the above mentioned paper, which only includes names of cities in Europe.</p>
