New York, 28 April – 2 May 2025

**Item 8 (c) of the provisional agenda \***

**Culture, heritage, and language recognition: Exonyms**

## **German exonyms for geographical features in Slovakia**

### **Summary \*\***

In response to a request from the Geodesy, Cartography, and Cadastre Authority of the Slovak Republic (Úrad geodézie, kartografie a katastra SR), the StAGN has compiled a list of German exonyms for geographical features in Slovakia. This compilation includes 179 toponyms. Each name is classified and assigned to one of the following five types:

- **Standardized** German name form
- **Historical** name form
- **Regionally** restricted usage of the name
- **Inappropriate** name (use must be avoided)
- **Endonym** for cross-border features
