Agenda item 3

Aims of the WG

# General aim

to promote research on toponymy with a holistic approach, i.e. from the perspectives of all sciences engaged and relevant in onomastics.

## In detail

- (1) Propose and organize sessions on place names in the framework of relevant conferences and congresses;
- (2) Organize symposia on toponymy in cooperation with local host institutions;
- (3) Develop, support and cooperate in toponymic research and book projects;
- (4) Cultivate international cooperation with relevant global organizations like the International Cartographic Association (ICA) and the International Geographical Union (IGU) represented by the Joint ICA/IGU Commission on Toponymy, as well as the United Nations Group of Experts on Geographical Names (UNGEGN).

The Working Group has a registered membership, a chair and a vice-chair.

Its members are members of ICOS or will gradually assume ICOS membership.
