HISTORY **Location History**

Pulau Carey ini pada awal 1900an telah dikenali sebagai Pulau Si Alang atau beberapa orang merujuknya sebagai kaum orang asli Mah Meri. Namanya menjadi Pulau Carey selepas ada seorang penanam, seorang Inggeris atas Sultan Sulaiman Selangor untuk memulakan ladang getah dan sejak itu sehingga kini pulau yang dikenali sebagai Pulau Carey.

The screenshot shows a Zoom meeting titled "Talking: Han/SCUFN Chair". The top of the window displays the Zoom interface with a grid of participants. The participants list includes: NHC Malaysia, IHO Secretari..., Jacob Inostro..., Nahian Said, CBSC, Evert F..., Trent Palmer, Marie Francis..., Amin Khat..., Yui Chang..., SHAI Li, Kevin Mackay, Lorena Samp..., Britt Lonneville, Mike Coffin, IHO Director..., Laura Trethe..., Hideaki Kinosh..., NHQ, INDIA, VIETNAM, Han/SCUFN..., KHDA, Prof Kirill No..., Alexey Novos..., KOSRI, Roberta Ivaldi, and Dacha. The main screen of the meeting shows a world map with the text "SCUFN Report" and "New Hampshire, 7-8 November 2019". The map is centered on the Atlantic Ocean, with North America on the left and South America on the right. The text "SCUFN Report" is prominently displayed in the center of the map, and "New Hampshire, 7-8 November 2019" is written below it. The Zoom window also shows the standard interface elements, including the top bar with the Zoom logo and the bottom bar with the meeting controls.
